

**Sri C. J. MUCKANNAPPA.**—What are the Municipalities which have got the benefit of slum clearance scheme out of this money spent?

**Sri D. DEVARAJ URUS.**—I want notice.

**Sri S. RAJAGOPAL.**—The provision for Kanakapura Municipality is not to be found here. Is there any special reason for this?

**Sri D. DEVARAJ URUS.**—It is not as though money is provided for every municipality. The total allotment in the Budget is not made specifically to any one municipality, but as and when municipalities approach the Government for funds, Government will have to take into account so many points enumerated in the Slum Clearance Scheme prepared by the Central Government. We have only to work out the scheme and also select Municipalities in accordance with the provisions of the Scheme.

**Sri S. M. KRISHNA.**—Are we to understand that the sum of Rs. 80 lakhs provided in the Third Plan for this scheme is left to be spent at ministerial discretion?

**Sri D. DEVARAJ URUS.**—It is not entirely left to ministerial discretion. The ministerial discretion is governed by certain conditions and suggestions given by the Government of India in the slum clearance scheme.

**ಶ್ರೀ ಕೆ. ಲಕ್ಷ್ಮೇಶ್.**—ಕೇಂದ್ರ ಸರ್ಕಾರ ನಿವಾಗೆ ಕೊಟ್ಟಿರುವ ಹಣವನ್ನು ಎಪ್ಪು ಮುನಿಸಿಪಾಲಿಟಿಗಳಿಗೆ ನಮ್ಮ ದೇಶದಲ್ಲಿ ಖಚಿತವಾದಬೇಕಂದು ಅದೇಶ ವನ್ನೆನಾಡು ಕೊಟ್ಟಿದ್ದೀರೋ?

**Sri D. DEVARAJ URUS.**—It is very obvious. We are not able to provide as much money as is required for slum clearance work in every Municipality in the State. In the Third Plan period, eighty lakhs of rupees are to be spent. Wherever the problem is very acute, the provision will be spent there.

**Sri K. P. GADAG.**—Have the Municipalities to bear any share of the cost of slum clearance?

**Sri D. DEVARAJ URUS.**—No. Under the existing scheme, the Municipalities will have to bear 50% of the expenditure by way of loan only.

**ಶ್ರೀ ಕೆ. ಲಕ್ಷ್ಮೇಶ್.**—ನ್ನು ಕ್ಯಾಲೆನ್ಸ್ ಗಾಗಿ ಖಚಿತವಾದಲ್ಲಿ ಎಪ್ಪು ಮುನಿಸಿಪಾಲಿಟಿಗಳನ್ನು ಸಲೆಕ್ಟ್ ಮಾಡಿದ್ದೀರಿ?

**Sri D. DEVARAJ URUS.**—For the current year, we have not selected as yet. As I mentioned already, twenty-seven projects have been estimated and sanctioned.

**ಶ್ರೀ ಸಿ. ಜೆ. ಮುಕ್ಕಣ್ಣಪ್ಪ.**—ಕೆ ಇಷ್ಟೆಲ್ಲ ಪಾರಿಷಿಕ್ ಗ್ರಾಮಗಾಗಿ ಮಂಜೂರು ಮಾಡಿರು ವಹಣವೆಷ್ಟು?

**Sri D. DEVARAJ URUS.**—I want notice.

**Sri C. J. MUCKANNAPPA.**—The Hon'ble Minister says that estimates have been sanctioned and yet he does not give the answer. Yesterday, I brought to the notice of the Hon'ble Speaker that the Andhra Speaker pulled up the Government to give correct answers. I am only bringing this to the notice of the Speaker.

**Mr. SPEAKER.**—I am much obliged for the information furnished. The Hon'ble Member wants to know for how many schemes provision has been made?

**Sri D. DEVARAJ URUS.**—Twenty-seven projects.

**Mr. SPEAKER.**—What is the aggregate provision?

**Sri D. DEVARAJ URUS.**—Rs. 66 lakhs and odd.

**ಶ್ರೀ ಕೆ. ಶಿ. ರೇವಣ ಸಿದ್ದಪ್ಪ.**—ಎಪ್ಪು ಮುನಿಸಿಪಾಲಿಟಿಗಳವರು ಈ ಸಹಾಯ ಧನ ಕೊಡೆಬೇಕೆಂದು ಕೇಳಿದ್ದಾರೆ?

**Sri D. DEVARAJ URUS.**—I want notice.

#### Amount allocated to each of the five years covered by Third Plan.

\*Q.—14. **Sri G. VENKATAI GOWDA** (Palaiyam).—

Will the Government be pleased to state:—

the amount allocated to each of the five years covered by the III Plan, out of Rs. 250 crores of the Plan outlay for the State of Mysore?

A.—**Sri S. NIJALINGAPPA** (Chief Minister).—

No advance allocation is possible for all the years at the beginning of the Plan period. The phasing depends on two factors:

(i) the availability of resources from year to year;

(ii) the programming of the Plan. The amount allocated for 1961-62 was Rs. 36.5 crores. However, anticipated expenditure will be much higher than Rs. 40 crores.

For the year 1962-63, the Budget provides for an outlay of Rs. 52.65 crores as against a Plan size of Rs. 42.1 crores.

The allocations for the remaining years of the III Plan period would depend upon the availability of resources and the Plan programme.

**Sri G. VENKATAI GOWDA.**—May I know whether the programmes that have got to be executed in the Third Plan have not been finalised yet?

**Sri S. NIJALINGAPPA.**—It is a continuing process. We have got a rough plan for the five years and we decide upon the priority for each year and take up the schemes accordingly.

**Sri G. VENKATAI GOWDA.**—On what basis is this outlay of Rs. 52.65 crores for the year 1962-63 fixed?

**Sri S. NIJALINGAPPA.**—On the basis of necessities.

**Sri G. VENKATAI GOWDA.**—May I know whether the Government have found out the resources for 1962-63 and whether they have thought of the programming of the plan?

**Sri S. NIJALINGAPPA.**—We had programmed for Rs. 42 crores and it has risen to Rs. 52 crores because we had to take up the Sharavathy Project and certain other schemes for the construction of roads.

**Sri A. KRISHNA SHETTY.**—Is it a draft or rough plan?

**Sri S. NIJALINGAPPA.**—Draft plan means rough plan.

**Sri G. VENKATAI GOWDA.**—May I know whether the Government has got necessary resources?

**Sri S. NIJALINGAPPA.**—We are hoping to get the entire resources.

**Sri ANNA RAO GANAMUKHI.**—How many schemes are entirely financed by the Centre?

**Sri S. NIJALINGAPPA.**—I cannot give an analysis now.

**Sri G. VENKATAI GOWDA.**—May I know whether the Centrally sponsored schemes are included in the outlay of Rs. 52.65 crores?

**Sri S. NIJALINGAPPA.**—Certainly.

**Sri S. SHIVAPPA.**—When you have a plan, have you not visualised what are the resources available for the plan?

**Sri S. NIJALINGAPPA.**—We have visualised.

**Sri S. SHIVAPPA.**—If the resources are not available, what will be the fate of the plan?

**Sri S. NIJALINGAPPA.**—We will see that the resources are made available.

**Sri G. DUGGAPPA.**—Is the sum of Rs. 52.65 crores entirely the State's share?

**Sri S. NIJALINGAPPA.**—It includes both, the State's share as well as the share of the Centre. The plan is an integrated whole.

**Sri G. DUGGAPPA.**—What proportion of it is the State's share?

**Sri S. NIJALINGAPPA.**—It cannot be defined how much of it is the Centre's share and how much the State's share.

**Sri C. J. MUCKANNAPPA.**—What is the difficulty of Government in allocating funds each year in advance for fulfilling the Third Plan?

**Sri S. NIJALINGAPPA.**—I may inform my friend that after all when we work out schemes, some schemes cannot be finished, some cost more and for some schemes materials are not available readily. These are all factors that contribute for a little change here and there.

**Sri G. VENKATAI GOWDA.**—Apart from Rs. 250 crores, what is the amount set apart for the Centrally-sponsored schemes which is not included in this sum of Rs. 250 crores?

**Sri S. NIJALINGAPPA.**—I do not think, it is much.

**Sri M. Y. GHORPADE.**—When the Government of Mysore has finalised its Third Plan at Rs. 250 crores after detailed discussion with the Planning Commission, is it correct to call it a Draft Plan?

**Sri S. NIJALINGAPPA.**—These plans are always draft plans because there are so many aspects that affect the plan. As I have already submitted, it is a continuous process and some changes will have to be made now and then.
